Prizegiving ceremonies: 17:00 – 3h rogaining groups, 20:00 – 6h rogaining groups.

### **INVENTORY:**

All participants must have reflectors or light reflecting vests.

Recommended to have a flashlight, charged mobile, compass, backpack, map measurer or ruler.

Cyclists must wear helmets, bike must have white and red flashlights also for cyclists we recommend to have a locker, for you to feel safe in some controls.

#### **PRIZEGIVING**

Winners will the team that collected the most points. Each control is awarded with a set of points for it's punching. If multiple teams will collect the same amount of points, winners will be the ones that spent less time on the track. Team is determined as finished when 2<sup>nd</sup> team member punches FINISH.

On the track distance between to team members cannot be more than 100 meters. All controls are

visited by both team members, both members must punch all controls.

Team that does not finish in control time loses 10 points for each minute spent over time limit.

Control points determination

First control number multiplied by 10. For example control (CP) with number 31 is worth 30 points, CP 32 - 30 points, CP 45 - 40 points, CP 79 - 70 points and so on...

Time for protests – no longer than 30minutes after finish.

#### **INFORMATION**

Map will be about A3 size. Map scale 1:20 000 or 1:25 000 (will be approved later).

Control point 100 must be the last one for all teams and will be placed after 14:00 o'clock.

Controls that are having number "6" for example 26,36,61... are very unfavorable for cyclists.

Maps will be printed on waterproof paper.

SI-cards for all participants will be tightened on the wrist.

SI card tightening will be checked at the start zone entry. Entrance to start zone will start at 12:30:00, there you will find CLEAR and CHECK stations. After the finish SI cards will be removed at spec zone by the organizers. If SI card tightening will be broken a fine of 200 points will be applied.

More detailed information about the race and tracks will be published at organizers web page http://telsiuklubas.lt

## **SAFETY**

Race will be held in the city and it's surrounding areas, therefore organizers warns you about the risk – car traffic will not be stopped, there will be no help or referees on the track. Athletes are responsible for their own health and safety.

During the race all participants must comply with road traffic regulations.
